

STRATEGIC PLAN

for French-Language Education (PSELF)

psélf.ca

2023-2028

A roadmap for French-language education to complete the pan-Canadian education continuum, from birth and throughout life.

Mobilize key partners in French-first-language education in Canada.

COMMITMENT

We express our commitment to a common goal through sustained involvement, the sharing of ideas and best practices, and synergy of actions.

COLLABORATION

We work together to implement the *Strategic plan* in a climate that encourages the free expression of opinions and mutual respect.

INNOVATION

We dare to rethink, act and change, drawing on ingenuity and resourcefulness, as well as acquiring knowledge from lessons learned and promising best practices.

BELONGING

We develop a sense of belonging that enables us to identify with a collective where listening and respect reign, as well as express ourselves and exert our influence within this collective.

Across Canada, people of all ages can and want to learn in French.

STRATEGIC PLAN

for French-Language Education (PSELF) 2023-2028

PRIORITIES

Teaching and learning

Promote full linguistic and cultural integration in an inclusive environment by enriching pedagogy through formal, non-formal and informal learning.

Attraction and retention

Focus on strategies to attract and retain learners in French-language institutions.

Educational capacity

Increase human and material resources to offer quality French-language education.

STRATEGIC GOALS

Make every educational institution the anchor point for linguistic security.

Update identity-building, from concept to delivery.

Cultivate an inclusive, plural Francophonie.

Increase and diversify the range of programs and services.

STRATEGIC GOALS

Persuade learners of all ages to prioritize a French-language education.

Encourage learners to pursue their education in French throughout their lives.

STRATEGIC GOALS

Recruit and retain qualified staff.

Develop and strengthen infrastructures.
